

HEALTHCARE BILLING RULES KEEP CHANGING. IS YOUR REVENUE CYCLE KEEPING UP?

- CMS Updates
- Coding Changes
- Payer Requirements
- Prior Authorization Changes

WHEN REQUIREMENTS CHANGE...

Coding Updates

Is your billing
workflow aligned?

Payer Requirements

Is your claim process
keeping up?

Prior Authorization Changes

Is your pre-service
workflow prepared?

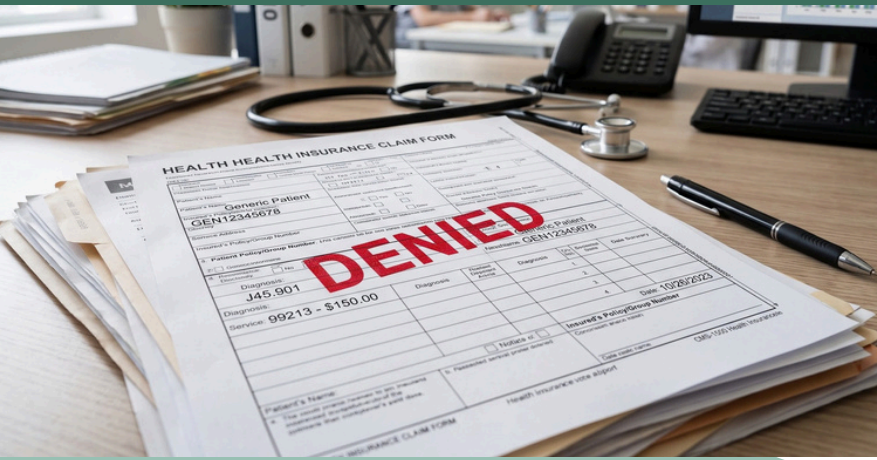

CMS & Medicare Updates

Does your team know what
changed and what applies?

RULES CHANGE. REQUIREMENTS CHANGE. REENIX EXCELLENCE KEEPS WATCH.

Reenix Excellence monitors relevant medical billing, coding, payer and regulatory updates so billing and RCM workflows can be reviewed as requirements change.

Don't Let a
Denied Claim
Be the First Sign
That Something
Changed.
